RE: Practice Schedule

Coaches:

Attached you will find the practice schedule for March 2008. Please remember the following:

- Do not assume an open slot is free to use; please consult me.
- Remember to maintain your field after use. Rake around mound, bases, etc. If you have mulch in your area – rake it away from the grass. Clean out your dugouts.
- Lights must be turned off each evening and bathrooms must be locked – this is YOUR responsibility.
- Do not let your parents park on the church side of lot PERIOD. St. Mark's has meetings in the evenings (Mon & Tues for sure). Also avoid the entire church parking area on the following dates:
 - Saturday, March 1, 9 AM to Noon
 - Tuesday, March 4
 - Wednesday, March 5
 - Wednesday, March 12
- Note the Grove is closed for Easter (March 19 – March 23). As part of our lease agreement with St. Marks, we do not hold any activities during this time – please honor this.

Field four users, please note your time is in the "T" column of the chart, unless it is a weekday, then you can assume your practice is at 6 PM. Other notes are included in this column to alert you to use prior to 6:00 PM.

IMPORTANT: Just because practices are assigned does not mean the fields are ready. There is still much work to be done before we can begin games. Please continue to come help on Saturday AM to insure all the kids on every field have a safe, fun area to play!

Thank you!

Donna Blanchard
